## **ANNOUNCEMENT**

28<sup>th</sup> July 2006

### **Joint Venture**

The Board of CSM Energy Limited are pleased to announce that the company has entered into a Joint Venture with a leading Australian engineering company.

The Parties established the JV so as to work together on a specific project which may involve the recovery and the implementation of CSG utilization projects by either using the gas for electricity generation (on site and/or off site), gas pipeline sales, related water management issues or any combination of the above. The JV Parties will work together exclusively to develop the project.

The JV shall comprise the following Shareholdings: 50% to the engineering company and 50% to CSM Energy. It will be funded on a basis to be reasonably agreed between the Parties.
